## Framed Shower Screen

The Stylish slimline frame is unique and modern and is available in a range of standard or customised colours to suit your bathroom decor, with a magnet strip on the door and frame ensures that when closed will lock in tight and not move or leak. This framed shower screen will add colour and define the shower recess within the bathroom.

Available in a range of sizes to suit your needs this framed shower screen can be fitted to all new and most existing bathrooms. Correct installation and best performance is guaranteed by our qualified tradesmen only using safety glass complies with Australian Standards.
